Profile

Third Year Electronic & Computer Engineer, self-taught Frontend Web Developer, logical mind, enjoys problem-solving & works well as part of a team.

Education

2019-2024 BA (Hons) Electronic & Computer Engineering

2013-2019 Leaving Certificate Dundalk Grammar School, Co. Louth

Work History

Sales Assistant, Dunnes Stores *May 2020 - December 2021*

I worked as a sales assistant at Dunnes Stores for a year and a half. This allowed me to improve my skills involving sales and dealing with customers.

Football Coach, Football Association of Ireland *June 2017- July 2019*

Over three summers, I coached children aged 6-12 at the FAI summer soccer camps in counties Louth and Meath. I was given the responsibility of managing a group of 20 children each week. This entailed planning each session in advance, teaching the children new football skills, and keeping control and ensuring the safety of the group.

Volunteering

Football Coach, Drogheda Town Football Club *October 2016 – April 2017*

I volunteered as a football coach for the Junior Academy weekly training. I had the responsibility of training a group of children, aged 4-6 years old.
